

Create professional, on-brand transactional documents in no time

Aisely helps self-employed professionals and businesses to create and share outstanding professional transactional documents effortlessly and within minimal time

Suggested adjustments:

1- Font size reduction for the header caption

2- Limit lines of header texts to 3; Break each line to represent significant a fraction of the whole text.

3- Increased vertical spacing - more white space

Approved by 100+ professionals across the world's reputable organizations

Suggested adjustment: Edit "Approved by 100+ professionals across several companies"

How Aisely Works

Suggested adjustment:

1- Use Semibold font weight for title

2- Section a bit too distant from the previous, by about 25% (See image in the next page)

3- Instructions/Sentences for each step should begin with capitals

i- Choose a template

ii- Input transaction details

iii- Generate document

iv- Share, sign, stamp

Suggested options for Industries:

Freelance – Independent contractor – Real estate – Retail business – Shipping/Logistics – Agency

space 1

Approved by 100+ professionals across several companies

stripe

Accel

aidi

Angular Ventures

Termii

space 2: spacing here is quite more than space 1 above. I'm suggesting conformity except more spacing here is intentional
